At Monkey Bizness, we have a commitment to help promote a healthy yet fun lifestyle for children. We help achieve this by combining exercise (without using the word) and a healthy balanced diet through the very best nutritional content. To help us achieve this Monkey Bizness has partnered with Annabel Karmel MBE to help us with our objective.

Annabel spent several years researching child nutrition and development before writing her first book, 'The complete Baby and Toddler Meal Planner' in 1991. The book has become the authoritative guide on feeding babies and children with sales over 2 million worldwide. Since 1991 she has written 14 books. In June 2006, Annabel was awarded an MBE (Member of the British Empire) in The Queens Honours List for her services to child nutrition.

The portion sizes on this menu are recommended for children under six years of age.
